Growing Together in the Face of Uncertainty

Dear Resident:

You are an important part of our Pottstown community. At the center of our community is the Pottstown Regional Public Library. Our Pottstown library has been in the same location for one hundred years! And thanks to all of you, you made this possible.

One thing I have learned in the last year and a half is that it is important to stay positive and work together as a community. Is a library still relevant? A library is not just for books any longer, and it has not been for many years! Pottstown and the Pottsgroves are fortunate to have the Pottstown Regional Public Library at the center of the community. Most of our resources can be found online for free, with your library card or even a temporary library card. Our programs are always free along with Wi-Fi connectivity, computer usage, movies, and for many other reasons.

We receive funding from Pottstown, Upper Pottsgrove, Lower Pottsgrove, and West Pottsgrove, as well as the state. About half of our financial support is self-generated from U.S. Passport and fundraisers.

What is missing? More support from our businesses and residents. Funds received from donors will improve our collection, preserve our building, and just help to keep us going.

If you are a past donor, we thank you, and we hope you will consider donating again. Without your support, it makes it tough to continue to offer the services we have and to build on new ones. Together we can grow in the face of tough times and become stronger.

Today, I am asking you to assist the Board of Directors and the staff in ensuring the success of our "small town" library for many years to come. We could not have grown as much as we have without the support of our donors, and it is that continued support that we are asking for today. For your convenience, a donation form is on the other side of this letter that can be returned by mail. Or if you prefer, donate online through PayPal or visit us at the library to make a donation personally.

Thank you, in advance, for your support. Community = working together.

Sincerely,

Hollandra "Holly" L. Geiser-Chang, M.S.L.S.
